

Partner Policy

Welcome to Tango's exclusive Partner Program for Agents!

Tango Partners enjoy amazing benefits and can earn a lot from referring users to Tango's Live-streaming app.

Our [Partner Program](#) is fully automated, self-serving and available globally.

By becoming a Tango Partner, you can profit long-term from every user you refer.

BENEFITS

● **Tango Live is the leading, US-based social live-streaming platform** with over 350 Million users worldwide.

● **We're always looking for new and unique Broadcasters**

Dancers, musicians, actors, artists...all are welcome and can earn with Tango! We will not allow nudity, violence, or other objectionable content.

[Click here](#) for full Conditions.

● **Simple Model – No minimum Target or Streaming requirements**

We like to keep things simple and fair for our Partners. Tango has no minimum target or streaming requirements (but of course, the more your Broadcasters stream, the more you earn!)

● **Smart Gifts**

Tango's gifting system is unique and smart. The gifts Broadcasters receive not only increase their earnings, but also push them higher in the Leaderboard rankings – increasing their popularity and helping them make even more money!

● **Broadcaster Payments**

💎 **200 Tango Diamonds = 💰 \$1 USD**

Broadcasters can redeem their earnings every time they reach **\$25 USD** value – the lowest payout threshold in the industry! Once Broadcaster places a request to cash out, Tango will transfer the payment to Broadcaster within 48 hours.

● **Partner Payments**

- We pay our Partners once a month, 30 days after month's end.
- Partners also have a minimum payout threshold of **\$25 USD**.
- All earnings are available in real-time through our tracking platform.

While your Broadcasters can see their earnings in their Tango account, you can view updated data (Broadcaster activity, diamonds earned, etc.) any time using your account in the tracking platform.

GETTING STARTED

After you sign up and are approved by Tango, you will receive your own **Tracking Link**. This is the **only link** you should send to your Broadcasters! Once they download Tango using your link, they will be connected to your Partner account.

★ ***Please note only new Broadcasters that have never registered on Tango will be approved and connected to your account.***

● **Bringing other Partners**

Do you have another Partner you want to connect us with? Next to your Broadcaster tracking link you will find a separate **Partner Referral Link** to send to Partners you would like to invite to Tango!

Once the new Partner registers through your **Partner Referral Link**, you will earn 5% of the Partner's total earnings.

● **Payoneer Account**

We pay Broadcasters and Partners using Payoneer's quick and easy payout system. If you don't have a Payoneer account, use [this link](#) to create one.

Welcome to the Tango Live community and thank you for joining our Partner Program!
